

WHY FRANCHISE WITH MIGHTY QUINN'S BARBEQUE

• A MESSAGE FROM • OUR FOUNDERS

When we got together, we had something far bigger in mind than a few New York-based barbeque restaurants. Behind the Mighty Quinn's Barbeque name is the foundation for a global brand that highlights chef-driven food that's smoked for 18-hours and served in minutes. The worldwide love for barbeque has been around for a long time, and that's not going anywhere. We are just changing the way that our customers are able to enjoy it, and we're extremely excited to lead the Urban BBQ movement.

In the years since we opened the first Mighty Quinn's Barbeque in East Village, we have successfully opened 15 locations, including international franchises. We are a nimble team that is willing to change with the trends and we are prepared to support our franchisees every step of the way. Mighty Quinn's will always be dedicated to providing our customers the best barbeque in town in the most convenient way possible. Thanks for your interest in helping us build a premium brand.
